Artist Statement

Piera Santi-Marotto

I attended Wilkes College for two years as a Fine Arts Major before marrying my Air Force husband. During his 20 year career we traveled extensively, made life long friendships and raised two wonderful sons. I am proud to have been an Air Force wife.

I completed my degree at Columbia College majoring in business and marketing. My background includes positions in teaching, training, and 25+ years in sales and marketing management. I was responsible for numerous and innovative ad campaigns, direct marketing and award winning merchandising programs.

Now retired from the corporate world, I am pursuing my passion and devoting my talents and creativity to my "ART".

Photography Preparation:

Wilkes-Barre/Scranton, PA area: I can arrange to take photography of your home.

Out of the area:

Use the best digital camera you have and take several photos from different angles along with close up of some areas for detail. Send the largest file size possible and do not crop or resize.

Tips:

Take the photo on a sunny day.

Close garage door and remove cars, toys, tools, etc.

Frame your photo with any trees, flowers, shrubs, etc. Include sky, foreground, and spacing on the sides.

(I will select the photo and angle that will produce the best House Portrait)
